Dear Jan:

By now you are probably aware of the positive tests at Stanford. The success of the whole project really started with your contribution of the tape. I want to express my deep appreciation to you for your help, and I know Jonn, Bob Joling, and Bill Turner feel the same way.

I am sending by U.P.S. the tape of J.F.K.'s assassination. There are several changes that still need to be made and I'll send you an updated tape when it is finished. I will also send the slides soon (I've really been sidetracked by the Stanford tests).

I hope the next step taken with the results of the tests will lead to a reopening of the case. I'm sure Lillian would be overjoyed to hear the news. Best wishes to you and your husband.

Sincerely,

Jack
